

Laser: quale device fa al caso mio? *Laser: Which device is right for me?*

Roeland DeMoor – Giovanni Olivi

Sabato 24 febbraio 2024 – 14.00-16.00

Roeland J De Moor, DDS, PhD, MSc graduated in 1984 from the Dental School, Ghent University, Belgium. He has an MSc in Paediatric Dentistry and an MSc in Endodontics and Restorative Dentistry (Ghent University, Belgium), and received the PhD degree in 1995 at the same University.

At present, he is a senior full professor at the Ghent University (Belgium) and guest professor at the University Clinic of Vienna (Austria); his private clinical practice is devoted to endodontics, dental traumatology, orofacial damage assessment and dental laser bleaching. He has a 35-year expertise in the field of laser applications in dentistry.

He is a member of the editorial board of the International Endodontic Journal, Journal of Endodontics, Journal of Adhesive Dentistry and Dentistry Journal – section “Lasers in Dentistry”; and serves as a reviewer on a regular basis for all dental laser journals and endodontic journals with impact factor. He has authored and co-authored more than 250 articles in peer-reviewed journals.

Together with Giovanni Olivi and Enrico DiVito he has authored the book “Lasers in Endodontics” but has also contributed to several other textbooks on Endodontology, Dental Laser Applications and Restorative Dentistry.

Medico Chirurgo, specialista in Odontostomatologia, Giovanni Olivi è socio attivo della Società Italiana di Endodonzia (SIE), dell’Academy of Laser Dentistry (ALD), socio fondatore e presidente 2021-2023 dell’International Academy of Innovative Dentistry (IAID).

Giovanni Olivi è Professore a.c. all’Università Cattolica del Sacro Cuore di Roma per l’insegnamento di “Laser in Odontoiatria” dove è coordinatore scientifico del Corso Master di 2 livello “Laser Dentistry”. Relatore nazionale e internazionale è autore di oltre 80 articoli e 4 testi dedicati all’utilizzo del laser, editi da Edizioni Martina, Quintessence Int., Springer e TUEOR. Nel 2007 ha ricevuto negli Stati Uniti il prestigioso “Leon Goldman Award” conferito dall’Academy of Laser Dentistry per l’eccellenza clinica ed è stato premiato per il 2024 con il riconoscimento “Doctor-to-Doctor World’s Top 100”.

Pratica l’odontoiatria generale utilizzando la tecnologia laser in tutte le sue branche nel suo studio di Roma.

Posso comprare un laser solo per l’irrigazione canalare? Cosa altro posso fare, da endodontista con un laser? I laser hanno tutti le stesse funzioni? Dove il laser può essere di aiuto nella odontoiatria generale? Domanda e risposta per schiarirsi le idee su una strumentazione estremamente utile se correttamente utilizzata.

Is a laser a right investment just for root canal irrigation? What else can I do, as an endodontist, with a laser? Do all lasers have the same functions? Where can lasers help in general dentistry?

Question and answer to clear your mind on an instrument that is extremely useful if correctly used.
